### Abby Modell Solo Exhibitor at ArtHamptons 2011 *New York, NY*

Clark Priftis Art is pleased to present the new **LLe-Dom Contemporary Art Glass** Collection by designer **Abby Modell** as a solo exhibition at **ArtHamptons**, Thursday, July 7 to Sunday, July 10, 2011 in booth #141 at Sayre Park, 154 Snake Hollow Road, Bridgehampton, NY.

**Abby Modell's** exhibit will showcase her luxurious "**Organic Vessels**" art glass collection: a dynamic presentation of fluid shapes and vibrant colors drawn from nature. The exhibit will also feature her "**Ice Crystal**" collection, which combines white, clear and textured glass with multiple faceted elements. New to this collection is a fused glass wall triptych. Also previewed will be Abby's "**Floral Still Life I**": a collection of freeform vessels mixing modern shapes and patterns. This harmonious blend creates an interaction between glass and light captured in exquisite forms, which illuminate Modell's exhibit.
